Or don't register at all! Registration is not required. Simply fill out the online forms to track your participation in the program or fill out paper forms and turn them in by July 25th. Call the library at 319-462-2183 or visit our Summer Reading page on our website for more information.

SUMMER READING GOALS AND TRACKING

READING GOAL

Each child has a reading goal of 800 minutes this summer! That's a little more than 15 minutes a day. You can spread it out or do a bunch of reading at once. We will be tracking reading online this year through Google Forms or you can turn in a paper tracker by July 25th. When you complete your reading goal you earn a free book! And for every 200 minutes you complete as part of your reading goal or above your reading goal, your name gets put in for a raffle drawing at the end of the program.

WEEKLY CHALLENGES

Each week we will have a special challenge for you to complete! If you complete the challenge your name will be entered in for a weekly prize drawing. In addition, we will have Extra Credit challenges each week you can complete if you want to put your name in twice for the raffle drawing. Each week will be a new challenge and a new prize! Check out our calendar for more details. The more challenges you complete, the more times your name is put in for our big raffle prizes at the end. Challenges can be tracked online through Google Forms or you can pick up the paper challenge sheets and turn them in. While each week has a new challenge and a new prize, the prizes will not be drawn for or awarded until the end of Summer Reading. So you have until July 25th to turn in all of your weekly challenges.

Each week we will have a virtual guest speakers on Tuesdays and Wednesdays. If it is a pre-recorded video and not a live Zoom event, the videos will be available on Facebook and YouTube for at least that day.
